Long Bezel Mandrel Set

Made just for us: 6 tapered 11-inch long steel mandrels for round, oval, square, octagon, hexagon and triangle bezels or decorative bending.

[Click here to order.](#)

Super Wire Bender

Metal base with four moveable pegs. Can be screwed to your work bench.

[Click here to order.](#)

New Setting Kit for Mini-Bezels

Specially made for those pesky small bezels.

[Click here to buy order.](#)

Zig-Zag Machine

Make your own decorative corrugations in soft metal as shown in the May-June 2011 issue of **Lapidary Journal Jewelry Artist**. Complete with four pairs of rollers. Clamps into your bench vise.

[Click here to order.](#)

Tube Cutting Jig

Compact, well-made tube cutting jig with handy measure.

[Click here to order.](#)

Please check out our many other [new tools](#). We are, of course, still adding new gemstones and pearls every day, like these new faceted [big aqua rondels](#).

We thank you for your continued support and thoughtful notes.

Kind regards,

Joe & Mary
